sum=25&id=10
```

id values are 10,11,12,13

It rejects if you don't have enough money

Tried buying sum=-25&id=10 but it did nothing.

Tried lots of things

Turns out you can buy things for negative dollars IF you set id to a value other than 10,11,12,13

So sum=-2000&id=1 will add 2000 to your bank. Then you can buy the flag:
